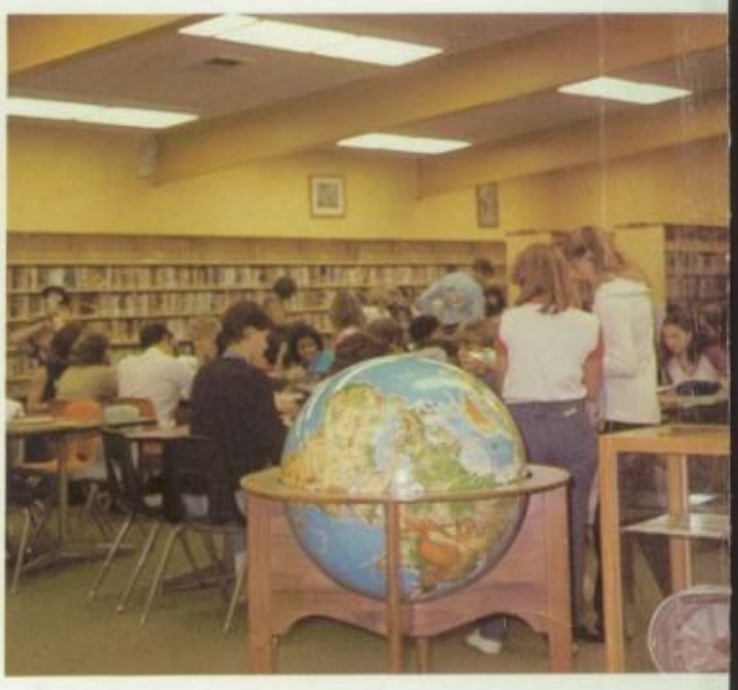
LOOK AT US NOW



FOREWORD

Since that eventful day in September of 1959 when Edgewood came into existence, the Trojan community — students, teachers, non-teaching staff, administrators,and parents — have been building pride and tradition.

Hemlines have gone up and down. Hair has been long and short, bouffant and natural. Dress codes have been strict and non-existing. Certain activities have come and gone, others have become tradition, but through it all, it has always been great to be a TROJAN.

To show what that Trojan pride and spirit has done this year, the Aurigan will LOOK AT US NOW — —

Showing off . . .
Achieving . . .

1984 DEDICATION

To a teacher who has shown pride and dedication in Edgewood.
To a teacher who quietly develops pride toward their work in students.
To a teacher who upholds high standards, yet gives students room to grow.
To a teacher who has improved Edgewood's environment with his work.
To a great teacher who is a friend to all.

Mr. Jim Monroe

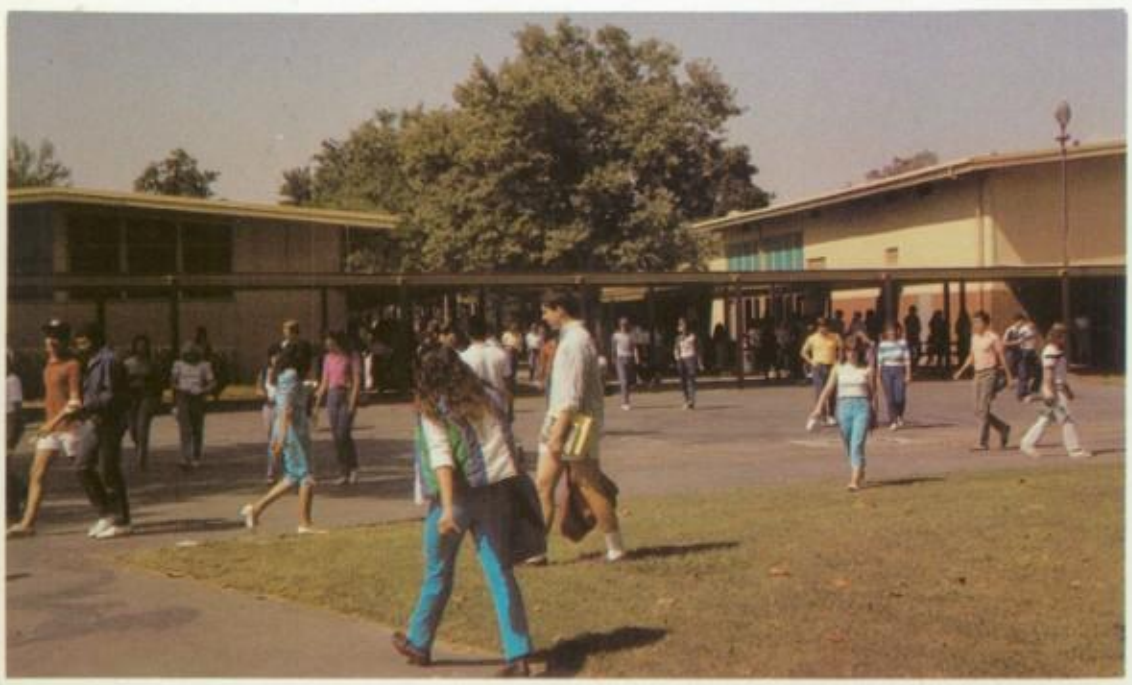
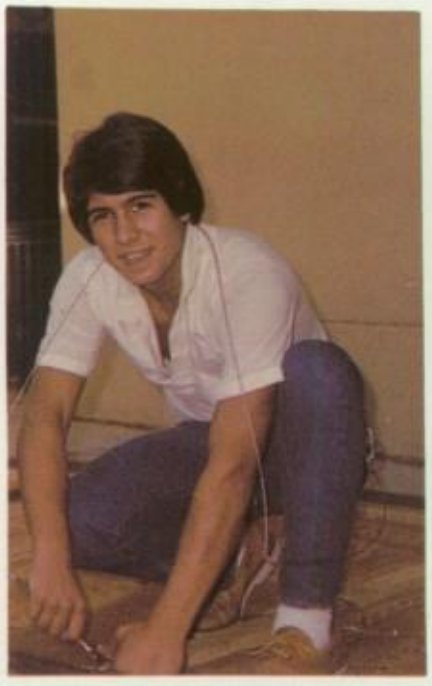
SHOWING OFF





For 25 years Trojans have been "showing off." The varied activities, such as Spirit Week, rallies, Junior-Senior Prom, plays, holiday concerts, Valentine's Ball, Halloween, donkey basketball, Christmas Ball, Homecoming, vacations, nursery school, hypnotist's shows, weddings, All School Review, and leisure time seem to have relieved their daily pressures and maintained their sanity.

The high school years at Edgewood have been more than classes and books. The afternoons and evenings have been filled with school related events to help each Trojan grow to maturity.

Remembering past "show offs" — LOOK AT US NOW —

ACHIEVERS

For 25 years Edgewood's achievers have been setting and reaching goals toward future success. Under the direction of the Edgewood staff, the students have grown as each year progresses.

From the freshman year to the senior year, minds and personalities have broadened and matured. Trojans have learned to cope with the pressures and problems of adolescence, to become responsible citizens. They have learned through mistakes and from each other.

But not all achievements have been in the past. LOOK AT US NOW —

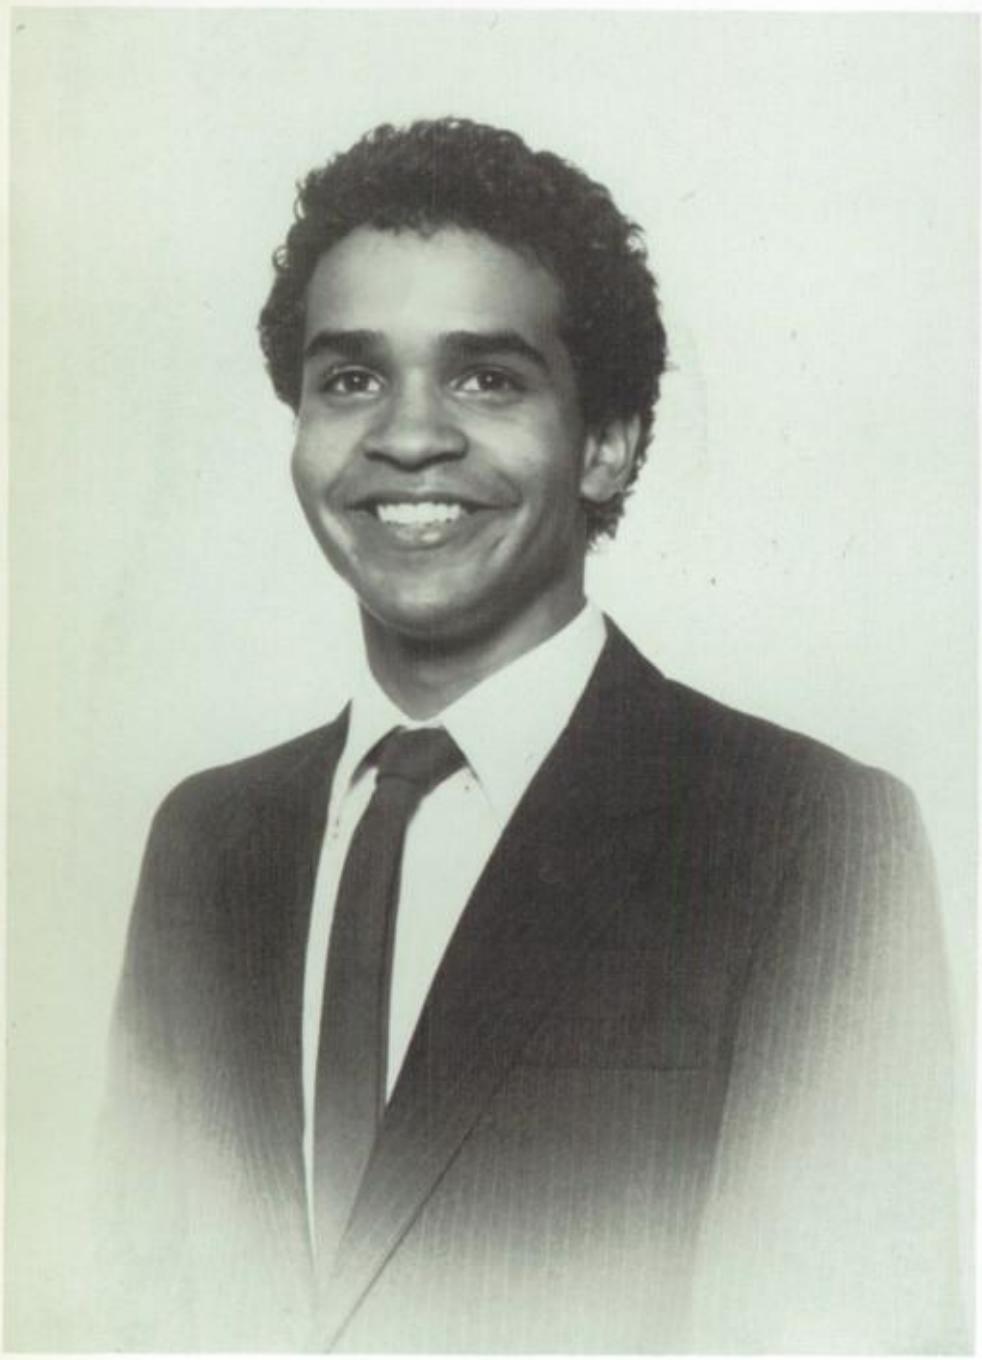
EMERALD KEY



Bernard Buchanan

Barbara Pill

Bernard Buchanan typifies the four qualities which the Emerald Key represents. "Leadership" — Bernard has been a member and leader within the German Club, the Aolian Club, and California Scholastic Federation. He has been a class officer and has held office in the Associated Student Body. He was chairman of the 25th Birthday Bash.

"Service" — He was a performing member of the Trojanaires his junior and senior years, and participated in three sports: track, tennis, and soccer, where he was junior varsity captain and varsity co-captain.

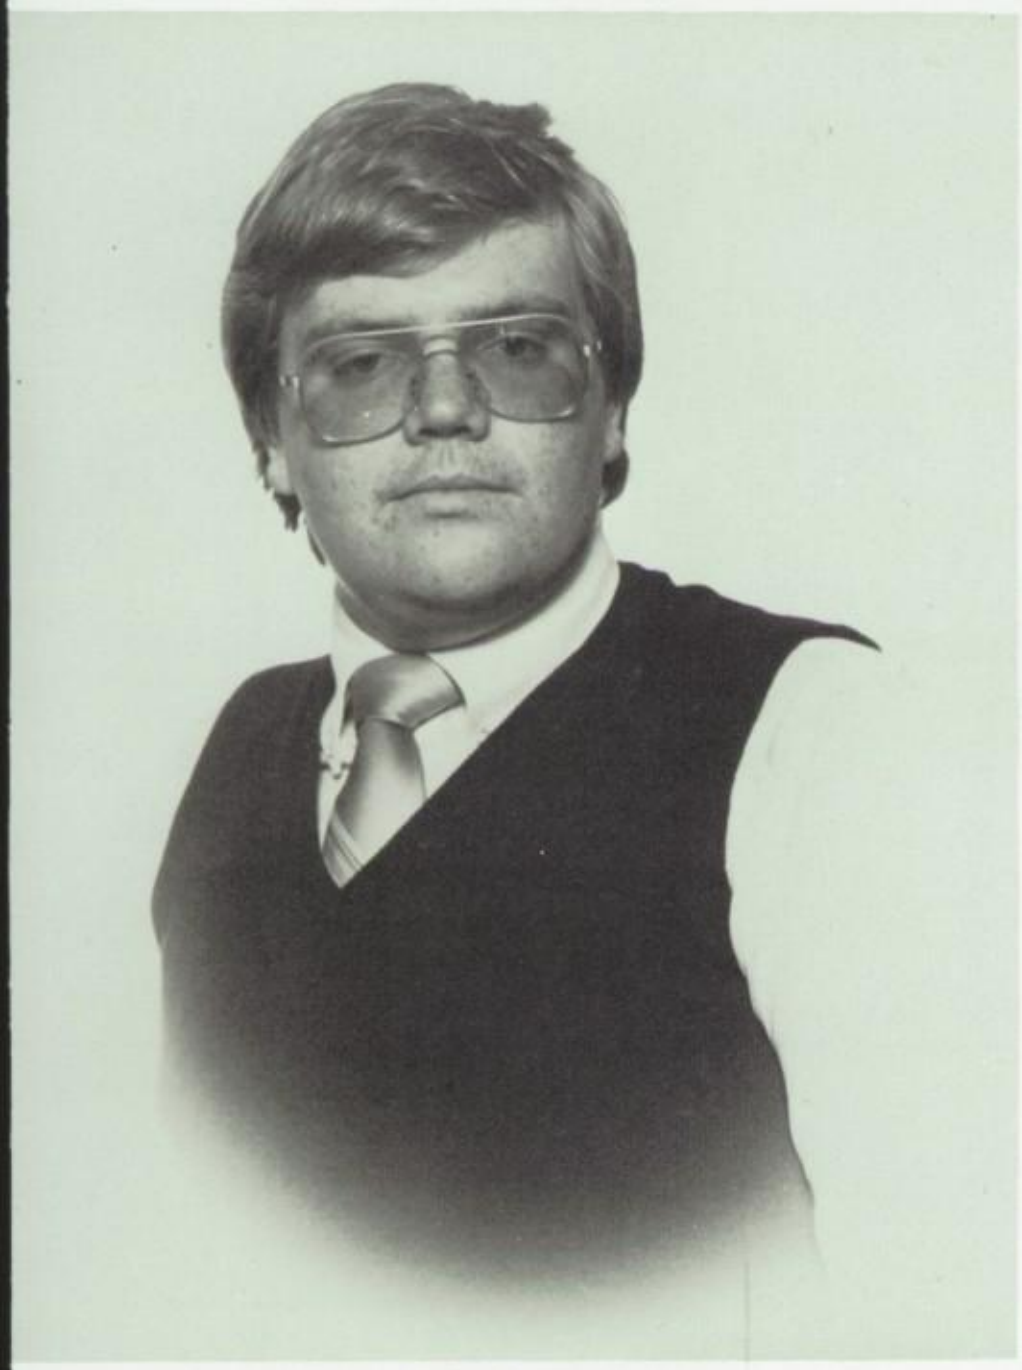
"Scholarship" — Bernard was a member of the California Scholarship Federation. He was named to the Scholarship Honor Roll his freshman year, and the Principal's Honor Roll his sophomore, junior, and senior year.

"Citizenship" — Bernard has displayed a positive attitude and outstanding citizenship. These qualities were recognized by the community of West Covina when he was named October Youth of the Month.

Barbara Pill has been an integral part of the Edgewood community for four years. ASB, athletics, music, academics, church, and her job have been recipients of Barbara's service, dedication, and cheerful positive attitude.

Barbara was the #1 volunteer for any activity in addition to maintaining a near 4.0 grade point average in college preparatory classes. She was a four-year member of California Scholarhsip Federation and an officer. Also, she was a class officer, presidential advisor, and spirit week chairman in ASB. She was a letterwoman in cross country, softball, and volleyball, and a three year Trojanaire member. She has served as an officer in most of the clubs she joined.

As "Employee of the Month" at Carl's Jr., peer minister, church youth group officer, and blood drive coordinator, Barbara's talents extended far into the community. Sports' awards Barbara has earned are the best summation of this unique girl — "Most Inspirational" and "Most Valuable."



Mike Spence

A responsible student leader and an outstanding scholar, Michael Spence, has unselfishly given his talents to Edgewood and the community.

Mike's record of achievement speaks for itself. He has participated in Marching Band, German Club, Computer Club, Letterman's Club, Science Club, Junior State, Iliad, Aurigan, and California Scholarship Federation.

His versatility and prominence in school life is further evidenced by being the Editor of the Odyssey, Sports Editor of the Aurigan, ASB President, and a varsity swim team member.

He was selected as West Covina's Youth of the Month in March.

Mike's personal success, outstanding achievements and contributions to Edgewood and the community have made him a very outstanding individual.

The Emerald Key is awarded to the top senior graduates selected by the faculty for outstanding scholarship, leadership, service, and citizenship.

COMPETITORS

For 25 years, the competitors of Edgewood have shown pride and dedication for their school. They have had the stamina to keep up their spirit, win or lose. Through such sports as wrestling, baseball, swimming, cross country, basketball, soccer, and football, Edgewood has shown outstanding athletic ability winning league championships.

Competition in water polo and gymnastics has been discontinued, and in 1975 G.A.A. disappeared and the girls entered CIF competition.

To record the achievements of present competitors, the 1984 Aurigan will LOOK AT US NOW —

1959

1984

As this 25th year comes to a close, memories — then and now — have been enshrined in the 1984 Aurigan.

In publishing this book, I would like to thank the entire staff for their efficiency, dependability, and specially for their patience.

To the yearbook mothers — Mrs. Maggiore, Mrs. McGruder, and Mrs. Butler — a big thank you for typing, cleaning up after us, and just putting up with us.

I would also like to thank Sanford Studios and Jane Kasel of Taylor Publishing Company for their time, effort, and excellent workmanship.

A special "thank you" to Mr. Van Dunahoo, whose patience, criticism, encouragement, and friendship has become meaningful and kept me together.

Orlinda Bernardo
